

UCSC Course Finder - Sprint 3 Report

Ian Zenter (PO)
Justin Ewing (Scrum)
Umit Ceylan
Joe Rozo

Release 3.4.16-0.1

Actions to stop doing - Dealing with small issues and get the big picture stuff implemented. Missing team meetings

Actions to start doing - Keeping trello board updated and expanding on ideas as they develop. As much group programming as possible

Actions to keep doing - Keep communicating through slack and expanding on our ideas about what are product should contain.

Work Completed

- As a user, I want to return to the top
- As a user, I want to be able to search by text
- As a developer, I want to have user session
- As a developer, I want to return complete course information
- As a developer, I want to have user accounts
- As a developer, I want to have a relational DB between accounts<-->courses
- As a user, I'd like to save courses for later reference
- As a user, I'd like a pleasing UI

Work Not Completed

- As a user, I'd like to have maps or directions to my class
